

BLAST OFF BUCKS Official Rules

Promotional Period: Fridays, September 1, 8, 15, 22 & 29, 2023

Method of Entry: Between 8am-8pm, all members can get one virtual entry per base point earned into hourly drawings from 5pm-9pm. Members must have played in the hour prior to each drawing time to be eligible. Drawing entries do not roll over to subsequent drawing dates.

At each drawing time, a winner will be selected using the Virtual Drawing function of Oasis 360. Each winner must be present within three minutes of initial winner announcement, otherwise prize is forfeit.

Each winner will get to spend 20 seconds in the cash cube box, collecting as many items as possible. At the end of the 20 seconds, all items that are placed in the collection box will be added up and the amount paid out in cash. Each item will have a color that will correspond to a cash amount which will determine their prize.

Based on machine functionality the promotion may be switched to a "Cash Cube", where the colored items will be replaced with bills representing different dollar amounts. The total value of the amount collected will determine their prize.

Prizes: Cash

Restrictions: Participants cannot grab items that are on the ground or use their clothing to collect them. Any items not placed into the collection box at the end of the time allotted will not be counted.

If the Virtual Drawing function cannot be used, winners will be selected using a Random Number Generator.

If a guest participates and gets less than \$100, the prize will be rounded up to \$100 cash. Guests can nominate someone to go in the cash cube in their place, provided that the alternate is available immediately. If a guest does not wish to participate they can choose to receive \$50 cash instead.

Offer may be altered or canceled at property discretion.
