

**DRIFT INTO ADVENTURE KLINKO
Official Rules**

Promotional Period: February 3, 10, 17 & 24, 2024

Method of Entry: All members can get one entry per base point earned from 8am-9pm each promotional day. Members must have played in the hour prior to each drawing time to be eligible.

Drawing Method: One winner will be selected each hour from 5pm-9pm to drop the Klinko chip and receive the prize that is landed upon. For the first drawing of the day there will be one Finale Spot prize on the board. If the Finale Spot prize is not picked then one more Finale Spot will be added each hour until the 9pm drawing, which could potentially have up to 5 Finale Spots.

Finale Day: Each finalist must check in at the Lucky North Club before 9:15pm. If all four Finale spots are not filled then a Wild Card virtual drawing will take place at 9:15pm and as many winners will be drawn as needed to fill the four finale spots. Winner must be present within three minutes, or another winner will be chosen approximately every three minutes until a present winner is found.

At approximately 9:30pm the four finalists will take turns picking an item from a display, in the order in which they won (week one winner goes first). One item will reveal the grand prize of a trip to Colorado plus \$2,500 travel money. The other finalists will each receive \$1,000 cash as a consolation prize.
