Promotion is open to all members with a birthday during the month of the promotional dates. Event promotion is valid on one designated day each month.

Month-of Free Play Offer: All lucky North Club Members may come in any day of the month of their birthday and receive a Free Play prize based on their card tier.

Birthday Event Free Play: Select members will receive a Free Play offer valid on the day of the birthday event.

Birthday Event Bonus Points: Guests with a birthday during the month will receive 2x points on all base points earned throughout the day. Bonus point's offers cannot be combined.

Birthday Digits for Dollars: Twice each hour between 12pm and 8pm of birthday bash day, an associate will use a random number generator to choose a number representing a birth date during that birthday bash month. Once verified, number chosen will be deemed the official "Birthday Date" for that period and will be announced on the gaming floor. In the event of a duplicate, a Hamburg Gaming Associate will redraw again until a new Birth date is revealed.
