

## **DIGITS FOR DOLLARS** **Official Rules**

**Promotional Period:** April 4 & 18, 2025 and May 2, 16 & 30, 2025

**Method of Entry:** The last two digits of each Member's official Hamburg Gaming Lucky North Rewards Account Number (in exact order) shall serve as their game card throughout this promotion. Digits range from 0 to 9; Two-digit numbers range from 00 to 99.

Two times each hour between 2pm and 7pm (last drawing at 7pm), an associate will randomly select a 2-digit number by spinning a 10-wedge micro-wheel with wedges numbered "0" to "9". Once verified, the two-digit numbers spun will be deemed the official "Digits for Dollars" number for that period and will be announced on the gaming floor. A two-digit number can only be spun one time during each hour. In the event of a duplicate, a Hamburg Gaming Associate will spin the wheel again until a new two-digit number is revealed.

Members with matching numbers on their players card will have five minutes to report to the specified area and spin a mini wheel to reveal a prize.

**Prizes:**

Digits for Dollars: Free Play

**Restrictions:** Digits for Dollars Wheel(s) must complete one full rotation to be considered a valid spin. Members are prohibited from manipulating the prize wheel. Sponsor reserves the right to spin two separate wheels or spin one wheel twice to generate the "digits for dollars" official draw. In either case, the "first wheel spin" must be matched to the "second last" Lucky North Club Account Digit, and the "second wheel spin" must be matched to the "last" Lucky North Club Account Digit to be considered a winning match. Sponsor reserves the right to alter, postpone, or cancel the promotion at any time.

Terms may be altered or cancelled at the property's discretion upon notification to the New York State Gaming Commission.
